Dear Investor:

We are providing the enclosed U.S. federal income tax-reporting information with respect to your investment in NB Distressed Debt Investment Fund Limited Extended Share Class. ("NBDDIF")

**Passive Foreign Investment Company (PFIC) Information – NB Distressed Debt Investment Fund Limited**

We believe that NBDDIF is a PFIC for U.S. federal income tax purposes, based on the information provided to us. Accordingly, a U.S. investor is considered a U.S. shareholder in a PFIC and is subject to the rules contained in Sections 1291 through 1297 of the Internal Revenue Code (the "Code"). A U.S. investor may elect to treat the arrangement as a "qualified electing fund" or QEF pursuant to Section 1295(b) of the Code with respect to the shareholder's ownership interest in the PFIC. Once a QEF election has been made, the election applies to all subsequent years.

Should an investor follow the appropriate procedures to make a QEF election, the U.S. investor is taxed on its proportionate share of NBDDIF earnings computed under U.S. tax principles for each year in which the Issuer is considered a PFIC. Electing U.S. investors report their share of earnings from the QEF by filing IRS Form 8621, Return by a Shareholder of a Passive Foreign Investment Company or Qualified Electing Fund.

The amounts reflected on the enclosed PFIC Annual Information Statement represent NBDDIF's ordinary earnings, net short term capital gain, and net long term capital gain for the designated tax year. As an investor, if a QEF election is effective, you should report your pro rata share of the Issuer's income for the number of days during the year that you held the investment. An investor who has made a QEF election may elect to defer paying the tax on the undistributed income of the PFIC, if any, on Form 8621. If this election is made, the investor will be subject to an interest charge on the deferred tax.

It is suggested that investors consult with their tax advisor and the offering memorandum to determine whether to make a QEF election with respect to their ownership interest in NBDDIF.

**Passive Foreign Investment Company (PFIC) Information – Strategic Value Restructuring Fund Ltd.**

NBDDIF owns shares of Strategic Value Restructuring Fund Ltd., ("SVP") a Cayman Islands Exempted Company. Investors in NBDDIF are deemed to be indirect owners of SVP shares. SVP has indicated to NBDDIF that they believe they are to be treated as a PFIC for U.S. federal income tax purposes. As such, U.S. investors fall within the same PFIC rules outlined above for their indirect ownership of the SVP shares.

NBDDIF requested a PFIC Annual Information Statement from SVP and was told this information would not be made available. As a result, a U.S. Investor is likely subject to Section 1291 of the Code with respect to its indirect investment in SVP.

During 2014 SVP made two distributions to NBDDIF: a \$2,025,900 cash distribution on February 20<sup>th</sup> and a \$1,816,873 cash distribution on August 21<sup>st</sup> to NBDDIF. Below is additional information related to SVP and the distribution(s) from the preceding three tax years, which you may require. Please note that the amounts presented in the table below represent the total amounts for the Extended share class. To determine your indirect ownership in SVP, you will need to multiply the amounts below by your ownership percentage of the respective share class.

**Passive Foreign Investment Company (PFIC) Information – London American Homes LP**

NBDDIF owns shares of London American Homes LP ("American Homes"), a Cayman Islands partnership that has elected to be treated as a corporation for U.S. federal income tax purposes. We believe American Homes is a PFIC under U.S. tax principles. As such, U.S. investors fall within the same PFIC rules outlined above for their indirect ownership of the American Homes shares.

American Homes began operations in 2012. Should you have held an interest in NBDDIF prior to 2014 and decide to make a QEF election for American Homes, you must make a deemed sale election for American Homes to become a pedigreed QEF. The information to complete Form 8621 is below. Please note that the amounts presented in the table below represent the total amounts for the Extended share class. To determine your indirect ownership in American Homes, you will need to multiply the amounts below by your ownership percentage of the respective share class.

#### **Additional Information**

Distributions from NBDDIF are not “qualified dividends” and thus are not eligible for the reduced rate of tax provided by the 2003 Jobs and Growth Reconciliation Tax Act.

A U.S. investor who received distributions during the calendar year may receive IRS Form 1099-DIV from the trustee or paying agent stating the cash payment. An investor who has made a QEF election should disregard the 1099-DIV to be sure to avoid double-counting earnings from this investment.

It is suggested that investors consult with their tax advisor with regard to the above.
